Congratulations to Matviy H (5F) *left* who took part in the Surrey Youth Teams Fencing Competition at the weekend and was placed second in the U10 category! Well done.

Mr Cowie was also delighted to hear about Thomas L (9P) success in the Ebbisham League Athletics meet in which he came first in the 1500m, against nine other athletes, with a very impressive time of 4.39! Well done to him.

Mrs Martins has ensured that some of our younger pupils who were not on the residential trips have had an engaging and fun week at KHS too. Making sun catchers, playing parachute games and learning about landscape artist Andy Goldsworthy have been just some of the activities for them this week in school.

Year 8s really enjoyed their trip to London zoo last week—a specialist zoological society conservation setting.

When your 9th birthday happens during your trips week residential...!

Year 7 trip to France...

Year 6 have been enjoying archery, den building, the big swing and 'Jacob's Ladders' activities at PGL... fondly remembered as 'Parents Get Lost' holidays!!

Year 8 went outward bound in Wales.
